$225 for secondary school students
$175 for primary school students
The annual CSEF amount per student is:

Activities for the benefit of your child:
- Expenses including camps, excursions or sporting expenses. Each student is provided to the school to use towards these or a special one-off amount.

CSEF is determined by a special consideration to the school's family's needs and its social or educational value. The annual CSEF amount is calculated by the school.

If you hold a valid means-tested concession card or a special educational or family support, you may be eligible for additional CSEF.

Contact your local school office to obtain a CSEF application form.
