Year 3/4

Greetings everyone! Welcome back. This year we have two fantastic 3/4 classes in Area 1. We (Mrs Micaleff, Mrs Browne and Mrs Sexton) can be found in Rooms 1 and 2 - and we welcome you to come and see our fabulous work!!

This term we have been working on being a successful learner. This involves being organised, being respectful of people and belongings and displaying positive behaviour.

Café reading has resumed, share books are being borrowed regularly and students are able to borrow from the Library.

Our writing focus this term is Narrative and Persuasive text. We encourage our students to bring items and ideas for discussion/writing to school to share and publish.

We have started using TiLER maths, a new numeracy program that promotes hands on experiences, problem solving and developing maths language skills.

Each fortnight we participate in 3/4 sport with all other 3/4 classes.
