

Area 4 Newsletter

February 2016

Welcome to Area 4 2016

The staff of Area 4 would like to extend a very warm welcome to all the students and families who are a part of Area 4 this year.

We have had a very calm, orderly and enthusiastic beginning to 2016 and are looking forward to a year of exciting and productive learning.

This term our project is working towards the Community Fun Day and there will be many exciting activities and stalls on the 23rd of March. Please come along and enjoy the fun.

We are also looking forward to our Meet and Greet week which will begin on the 29th of February. You will be notified shortly about organising a time for us to get together.

We are all here for the benefit of your children and are dedicated to their learning success. As such, please feel free to contact the school at any time if you wish to have a chat over the phone or arrange a time to meet.

Things to Remember

- ☺ **Hats** must be brought to school and worn until the end of term one.
- ☺ **Homework** - students should read every night. Mathletics and Reading Eggs is available for extra practice and is positively encouraged.
- ☺ This term's homework will be working towards researching and creating something to display at our Community Fun Day. Students may enter as many categories as they wish, but it is expected that each child enters at least one exhibit. More information will be sent home shortly.
- ☺ Please ensure you return blue forms ASAP so that your children do not miss out on learning experiences.
