Transition Visits for 2016
Prep Children

The Transition Sessions offered at Cranbourne West Primary School give children an early opportunity to attend school with their parents. These sessions are run earlier in the year to allow your child to gradually become used to the school environment. Attending Transition Sessions allows children to be more comfortable for their Orientation visits which occur later in Term 4.

Term 2
Transition Sessions will take place from 2:30pm - 3:00pm Mondays starting 27th April.

Term 3
Transition Sessions will take place from 2:30pm - 3:00pm on Wednesdays starting 29th July.

Term 4
No Transition Sessions will take place as the Prep Orientation Program will begin in November.

Orientation Visits for 2016

Prep Children

The Orientation Program at Cranbourne West Primary School has been designed to introduce your child to school life and give him/her time to become familiar with the rooms and Teachers.

The more opportunities your child has to visit the school and become familiar with the surroundings before starting next year, the easier it will be for them and for you. We are working towards making the school experience a happy, safe and enjoyable one.
