&

**Orientation Visits**

(Starting in Term 4 for all children attending CWPS in 2017)

---

For Preps 2017
The Orientation Program at Cranbourne West Primary School has been designed to introduce your child to school life and give him/her time to become familiar with the school and teachers.

The more opportunities your child has to visit the school and become familiar with the surroundings before starting next year, the easier it will be for them and for you.

**Transition Visits**

Research states that the more familiar you and your child are with school, the more positive the start of school will be.

At Cranbourne West Primary School we want our children and parents to begin their school life confident and happy.

We offer a weekly program for you to come to school with your child to enjoy the school experience.

**Term 2**
