

Cranbourne West Primary School Song

Lyrics and Music by Sharon Start

**Cranbourne West Primary School for me
The school where I'm happy, safe and free
Free to learn and laugh and play
Encouraged and nurtured on my way
If we Learn, Trust and Respect (Sense of Humour)
Together we'll be strong
Confidently, now we sing
Cranbourne West Primary School for me**

**Cranbourne West Primary School for me
A Learning Community
We strive for excellence every day
So our future's bright in every way
If we Learn, Trust and Respect (Sense of Humour)
Together we'll be strong
Confidently, now we sing
Cranbourne West Primary School for me**
