

State Schools' Relief has now started operating as our Uniform Trader

Cranbourne West Primary School will no longer be operating as a trader for our school uniforms. We have handed this service over to Not for Profit organisation called State Schools' Relief.

State Schools' Relief (SSR) sell Uniforms with a purpose. Every item of clothing that is purchased helps a student experiencing financial stress to receive the same item free.

SSR is an online store and you will be able to purchase from them on the QKR app . You can download this free app from your App store.

During school terms, uniforms will be delivered to our school and given to your child in the classroom. If you order uniforms during the school holidays they will be sent to your home address. Uniform deliveries usually take 3-5 working days from when the order is placed.

Any returns due to size will need to be returned to State Schools' Relief via Australia Post or directly to States Schools' Relief, along with a purchase returns form. It is recommended that parents check the sizing chart before ordering.
