PURPOSE

To explain to our school community the Department's and Cranbourne West Primary School's policy requirements and expectations relating to students using mobile phones and smart watches during school hours

SCOPE

This policy applies to:

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Cranbourne West Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Cranbourne West Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours (8:45-3:15)
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile devices owned by students at Cranbourne West Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Cranbourne West Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to [Claims for Property Damage and Medical Expenses policy](#)

Where students bring a mobile phone to school, Cranbourne West Primary School will provide secure storage.
