PURPOSE

The purpose of the Student Dress Code is to outline Cranbourne West Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Cranbourne West Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- promote a sense of identity and pride, cohesion and good order in the school
- allow all students to feel equal
- prevent bullying and competition on the basis of clothing
- ensure students' appearance reflects the expectations of their school community
- enhance the profile and identity of the school and its students within the wider community
- strengthen the spirit of community within the school
- enhance individual student safety and group security
- ensure all students are dressed safely and appropriately for school activities

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities

UNIFORM AND APPEARANCE

Cranbourne West Primary School students can wear any uniform item regardless of gender.

General appearance

While at school, travelling to or from school or participating in school activities, students must comply with the following:

- Uniforms must be clean and in good repair
- Uniforms should be clearly marked with the owner's name
- Additional layers of clothing may be worn underneath the uniform, provided these undergarments are completely hidden

- Earrings (studs or sleepers) and watches (excluding smart watches) are the only acceptable jewellery
- No make up or nail polish or fake nails to be worn at school

Health and safety

Students with shoulder length or longer hair are encouraged to tie back their hair to help restrict the spread of lice and for student safety.

Jewellery, nails, hair accessories, hat cords and similar items that interfere with students' ability to engage with school activities safely and fully are not permitted.

School uniform hats must be worn outside from mid-August (exact date to be set by the school annually) to 30 April and on any other day prescribed by the school. School uniform hats may also be worn outside of this time period, by parent/carer or student choice.

Hats are not to be worn inside.

Students are permitted to wear sunglasses during outdoor activities. Sunglasses should be close-fitting, wrap-around that meet the Australian Standards 1067 and cover as much of the eye area as possible.

PURCHASE OF UNIFORMS

Uniform items can be ordered directly from online from [State Schools' Relief](#). Permitted non-branded uniform items can also be purchased from department stores.

Donated second-hand uniform items are available from the office.

The School Council has consulted with the school community and worked to ensure the student uniform is affordable, including by sourcing an online store with low prices and by having uniform colours that are easily found at department stores. However, if you are facing difficulty meeting uniform costs the [Help with school costs and fees](#) page provides advice on support offered by the Victorian Government. If your child is starting prep or year 7 and is eligible to receive support via the [Camps, Sports and Excursions Fund](#), you may be eligible to access the Affordable School Uniform program through [State Schools' Relief](#).

Please contact our Parent Liaison Officer, Ms Sharma Hall, to discuss support that we may be able to provide.

IMPLEMENTATION

Cranbourne West Primary School will ensure that this Student Dress Code and uniform item list is communicated to all families and students through our website and on Compass. We will assist students who may be experiencing difficulties complying with this policy where possible.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents/carers by the classroom teacher. If non-compliance with the student dress code becomes a continued occurrence,

leadership will be informed, and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Cranbourne West Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that the enforcement of this Student Dress Code may impact students differently.

Students and their parents or carers may apply either in writing or in person to the principal for an exemption to this Student Dress Code if:

- an aspect of the code:
 - prevents students from being able to attend school or participate in school activities on the same terms as other students because of the [personal characteristics referred to in human rights and anti-discrimination requirements](#)
 - offends a religious belief held by the student or parents/carers
 - prevents students from complying with a requirement of their religious, ethnic or cultural background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or the parents/carers can demonstrate financial hardship that prevents them from complying with the dress code.

When the principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- guarantee that issues of a personal nature revealed to substantiate the request will be strictly confidential
- encourage the student and/or their parents/carers to support their application with evidence.

The principal or delegate will then try to negotiate a resolution that is acceptable to all parties, including providing advice about support with meeting uniform costs. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents/carers.
